The Birdie Song

Way up in the sky
The little birds fly
Way down in the nest the little birds rest
With a wing on the left
And a wing on the right
The little birds sleep
All through the night
Shhhh!

THEY'RE SLEEPING!

The bright sun comes up
The dew falls away
Good morning, good morning
The little birds say
CHIRP

Elephant Song

(a lyric elimination song)
Oh tell me
Have you seen
Whats in the air tonight?
It's something grey and big
It's riding on a bike
It is an elephant
It is so elegant
It has a trunk in front
And a tail behind

Mountain Girls

Chorus:
All around the mountain shouting betsy, BETSY
All around the mountain Laura Lee
If I ever see that girl again
May the good earth remember me
Yee-haw!

City Girls, they have those fancy perfumes
Country girls, they have the same
Mountain girls just go all natural
But they get there in just the same
Yee-haw!

City girls, they have those fancy toilets
Country girls, they have the same
Mountain girls just find a friendly bush
But they get there in just the same
Yee-haw!

City Girls, they have those fancy pets
Country girls, they have the same
Mountain girls just have banana slugs
But they get there in just the same
Yee-haw!

City Girls, they have those fancy cars
Country girls, they have the same
Mountain girls just hike along the trail
But they get there in just the same
Yee-haw!

Old Macdonald
Old MacDonald had a farm e-i-e-i-o
And on that farm he had a tree
Well they cut down the old pine tree, timber!
And they hauled it away to the mill tra-la-la

Old MacDonald had a farm e-i-e-i-o
And on that farm he had a home
Home, home on the range
Where they cut down the old pine tree...

Old MacDonald had a farm e-i-e-i-o
And on that farm he had a dog
Oh where, oh where has my little dog gone
Oh where, oh where could he be?
He's home, home on the range...

Old MacDonald had a farm e-i-e-i-o
And on that farm he had a sweetheart
Let me call you sweetheart
I'm in love with you
Let me whisper in your ear
Oh, where, oh where has my little dog gone...

Old MacDonald had a farm e-i-e-i-o
And on that farm he had a hole
Well I stuck my head in a little skunk hole and the
little skunk said to me
Let me call you sweetheart...

Old MacDonald had a farm e-i-e-i-o
And on that farm he had an end
e-i-e-i-ooooo!

Percy
Way up in the land of ice and snow
Where the temperature drops to 40 below
Who's the friendliest bear we know?
He's Percy the pale faced polar bear, grr!
Sleeps all day and then at night
Catches his fish by the pale moonlight
Has no worries, has no cares
He's Percy the pale faced polar bear, grr!
Then one day a hunter came
Grabbed poor Percy by the snout
Put him in a great big cage

And he howled and he growled, but he **couldn't get**
out

Now he's living in a zoo
Funny thing is he likes it too
Cus' he met his best friend there
And they love
Percy the pale faced polar bear, grr!
Then one day they found the key
Now both bears are happily free
Soon they'll be a family
Of Percy the pale faced polar bear, grr!

Prune Song
No matter how young a prune may be he's always
getting wrinkles
A baby prune's just like his dad
'Cept he ain't wrinkled half so bad
We have wrinkles on our faces
But prunies have them every places
No matter how long a prune may be, he's always
getting stewed
Stop! Prune check!
Little seed inside a pruin
Is it night or is it nuin?
Whatcha doin pruin?
Stewin? Hmmm?

River Nile
Motions:
Slap slap, clap clap
Snap together, snap together
Cross over, cross over
Palm tree, palm tree

I'm gonna build my castle on the Nile
So I can live in elegant style
Inlaid diamonds on the floor
A bamboo butler at my door
I'm gonna marry my prince Alaboo
My bloods gonna change from red to blue
Entertaining royalty all the while
On my castle, castle, castle on the river Nile
The river Nile!

Sarah the Whale
In 'Frisco bay there was a whale
And she ate oysters by the pale
By thimble, by teacup
By bathtub and by schooner
Her name was sarah and when she smiled
She showed her teeth for miles and miles
And tonsils, and spare ribs
And things to fierce to mention
Now what would you do with a whale like that?
What would you do if she sat on your hat?
Or your toothbrush, or your counselor?
Or anything else that's useful like that

Skunk catcher
(a call out song)
My old man's a [skunk catcher] now what do you
think of that
He wears his [skunk catcher] jacket, he wears a
[skunk catcher] hat
He wears a [skunk catcher] raincoat, he wears
[skunk catcher] shoes
And every Sunday evening he reads the [skunk
catcher] news
And some day, if I can
I'm gonna be a [skunk catcher], just like my old
man

Super California Surfers
Chorus:
Oh, super California surfers experts on the ocean
Even though some of them do not wear sun tan
lotion
When they **hit the waves so hard, they're always in**
the motion
Super California surfers experts on the ocean

Um diddle iddle iddle, um diddle eye
Um diddle iddle iddle, um diddle eye

Because I was afraid to surf when I was just a lass
My parent gave my nose a tweak and told me no
more sass

But then one day I learned a word that every surfer
knows
The biggest word, you've ever heard and this is
how it goes

Chorus

Swimming Pool
(a lyric elimination song)
Swimming, swimming in a swimming pool
When days are hot, when days are cold
In my swimming pool
Breast stroke, Side stroke, Fancy diving too
Oh wouldn't it be nice if there was nothing else to
do, but

Under the Bamboo
Under the bamboo
Under the bamboo tree
Looking out for you my darling
Looking out for 1-2-3-4
When we get married, happy we'll be
Under the bamboo
Under the bamboo tree
Boom boom, boom boom
Boom boom, boom boom, boom boom
If you'll be m-i-n-e mine
I'll be t-h-i-n-e thine
I'll l-o-v-e love you
All the t-i-m-e time
You are the b-e-s-t- best
Of all the r-e-s-t rest
I'll l-o-v-e love you
All the t-i-m-e time
Match to the gas tank
Boom, boom

Duck Drover

I'm an old duck rover from out in Montana
Round up them duckies and drive 'em along
To a flooded corral where we bulldog and brand
'em
Mosey on home just a singin' this song

Singin' quack-quack yippy-aay and quack-quack
diddly-oooh
Get along little duckies, get along real slow
It's dirty and smelly and really don't pay
But I'll be a duck girl 'til the end of my days.

On Saturday night as I ride into town
On a short legged pony with my hat pulled way
down
But the boys don't like duck girls, I can't figure why
No cowgirl could be more romantic than I

Singin' quack-quack yippy-aay and quack-quack
diddly-oooh
Get along little duckies, get along real slow
It's dirty and smelly and really don't pay
But I'll be a duck girl 'til the end of my days.

There's danger, adventure and romance I know
From a waddlin' stampede to a duck rodeo
But there's loneliness too and it cuts to the bone
When you smell like duck feathers you're always
alone

Singin' quack-quack yippy-aay and quack-quack
diddly-oooh
Get along little duckies, get along real slow
It's dirty and smelly and really don't pay
But I'll be a duck girl 'til the end of my days.

Gooley Duck

**You can hear the diggers say as they're headed for
the bay**
Oh I gotta dig a duck, gotta dig a duck a day
For I get a buck a duck, if I get a duck a day
So I gotta dig a duck, gotta dig a duck a day

Chorus:

Dig a duck, dig a duck, dig a goeeyduck
Dig a duck, dig a goeeyduck, dig a duck a day, hey
(x2)

Well it takes a lot of luck and a certain kind of
pluck
Just to get around the muck, just to get a goeey
duck

**For it hasn't got a front and it hasn't got a back
And it's not named Donald and it doesn't go quack**

*Chorus

In my favorite café I told the waitress yesterday
How I gotta dig a duck, gotta dig a duck a day
For she tried to give me turkey
And she tried to give me ham
But of course I did demand Washington king clams

*Chorus

Tennessee Wiggle Walk

I'm a bow legged chicken

I'm a knock knee hen

Haven't been so happy since I don't know when

I walk with a wiggle and a giggle and a squack
Doing the Tennessee, whoop, wiggle walk

Put your heels together and your knees apart
Snap your fingers, ready to start
Flap your wings just for luck
As you wiggle and you wobble like a baby duck

Come and dance with me baby keep your toes in
time

Haven't been so happy in a long, long time

I walk with a wiggle and a giggle and a squawk
Doing the Tennessee, whoop, wiggle walk
Doing the Tennessee, whoop, wiggle walk

Washington Waddle

Come on down to Washington DC

Bah-dum, Bah-dum

It's the Washington waddle, get the tune in your noddle

Let your feet have fun

It's something made
By the princess pat,

Had a mighty fine crew,
He sailed across
The channel two,
But his ship sank
And yours will too
If you don't take

What Can Make a Hippopotamus Smile
(This is a repeat after me song!)
What, can make, a hippopotamus smile?
What, can make, him walk for more than a mile?
It's not a party with a paper hat,
Or cakes and candies and things like that,
That's not what hippos do,

They.... ooze in the gooze without any shoes,
They wade in the water till their lips turn blue,
That's what makes a hippopotamus smile

What, can make, a hippopotamus smile?
What, can make, him walk for more than a mile?
It's not a tune on the old violin,

Or listening to the whistling wind,
That's not what hippos do

They.... ooze in the gooze without any shoes,
They wade in the water till their lips turn blue,
That's what makes a hippopotamus
That's what makes a hippopotamus
That's what makes a hippopotamus smile!

Slow Songs

Barges
CHORUS:
Barges, I would like to go with you,
I would like to sail the ocean blue.
Barges, have you treasures in your hold?
Do you fight with pirates brave and bold?

Out of my window looking in the night,
I can see the barges flickering light.
Silently flows the river to the sea,
And the barges too go silently.

CHORUS

Out of my window looking in the night,
I can see the barges flickering light.
Starboard shining green and port is shining red,
I can see the barges far ahead.

CHORUS

Out of my window looking in the night,
How I long to sail away from here,
But I cannot leave my window I fear

CHORUS

Circle Game
Yesterday a child came out to wander
Caught a dragonfly inside a jar
Fearful when the sky was full of thunder
Tearful at the falling of a star

CHORUS:
And the seasons, they go round and round
And the painted ponies go up and down
We're captive on a carousel of time
We **can't return we can only look behind from**
where we came
And go round and round and round in the circle
game

Now the child's moved ten times round the
seasons
Skated over ten clear frozen streams
Words like "When you're older" but appease her
And **promises of "someday" make her dreams**

CHORUS

Sixteen springs and sixteen summers gone now
Cartwheels turn to car wheels through the town
And they tell her "Take your time it won't be long
now
'Til you drag your feet to slow the circle down."

CHORUS

Now the girl who dreamt tomorrow's twenty
Though her dreams have lost some grandeur
coming true
But they'll be new dreams, maybe better dreams
and plenty
Before the last revolving year is through.

I Want to be Strong
Chorus:
Well I want to be strong
To be, strong as the land around me
I want a heart that's as wide as the sky
I want a spirit like a moving mountain stream
I want to look people, straight in the eye

Walking along beneath a canopy of clouds
Feeling like a stranger in the midst of crowds
I know that something great is calling me out loud

I know that I must choose
The world is crying 'cause there's hunger and there's hate
But if we care it's not too late, oh no
A loving, laughing world we'll be able to create
Underneath the endless sky

Jimmy Brown
Run and jump and skip and fall
You think you're tall but you're so small
Mamma calls for supper, no more play
Tomorrow will be another day

Chorus:
Singing hey la di da, oh la di di
Oaty oatin oh and ollie oxen free
Oh I can run faster than jimmy brown
I'm the queen of the mountain
and you'll never get me down

Up bright and early, got a lot to do
Gonna build a castle and go to the zoo
And visit mother goose in storybook land
Why does daddy hold my hand

I'm pretty old now five and a half
Gonna be like mommy and never laugh
Cause when you're old you've gotta be strong
You're not a child for very long

I'm full grown now on my own
Oh how I wish I could go back home
And play al day with my old friends
Why does childhood have to end

Linger
Mhmm, I want to linger.
Mhmm, a little longer.
Mhmm, a little longer,
Here with you.

Mhmm, it's such a perfect night.
Mhmm, it doesn't seem quite right.

Mhmm, that this should be,
My last with you.
Mhmm, and come September,
Mhmm, I will remember,
Mhmm, our camping days,
Of friendships true.

Mhmm, and as the years go by,
Mhmm, i'll think of you and sigh.
Mhmm, this is good night
And not good bye.

Mhmm, I want to linger.
Mhmm, a little longer.
Mhmm, a little longer,
Here with you.

Magic
When I was young I thought the stars were made
for wishing on
And every hole within a tree must hide a
leprechaun
Old houses all had secret rooms if one could find
the key
I do believe in magic, I believe.

CHORUS:
Magic is the sun that makes a rainbow out of rain
And magic keeps the dream alive to try and try
again
Magic is the love that stays when good friends
have to leave
I do believe in magic, I believe

Growing up the grown ups said someday I'd wake
to find
That magic was a childish dream I'd have to leave
behind
Like clothes that would no longer fit, and toys that
I'd ignore
I'd not believe in magic anymore

CHORUS

Although my childhood's far behind

I've learned to my surprise
That magic did not fade away, it took a new
disguise
A child, a friend, a smile, a song, the courage to
stand tall
I do believe in magic after all

CHORUS:

Magic is the sun that makes a rainbow out of rain
And magic keeps the dream alive to try and try
again

Magic is the love that stays when good friends
have to leave

I do believe in magic

And love's the greatest magic

I do believe in magic, I believe

Make New Friends

Make new friends, but keep the old

One is silver and the other's gold

A circle's round, it has no end

That's how long I want to be your friend

I have a hand and you have another
Put them together and we have each other.
Across the land, across the sea
Friends forever we will always be

Moon on the Meadow

Moon on the meadow

Bugs in our ears

Smoke in our eyes

Wet wood and tears

On up the meadow

Water somewhere

We were the only ones there

Wild horses to slushy

Dry lakes and peaks

Finding the love that

Everyone seeks

Hiking to rainbows

Sunsets and stars
Just finding out who we are

We will return here
One lucky day
Our hearts will guide us
They know the way
People in cities

Don't understand

Falling in love with the land

Moon on the meadow
Bugs in our ears
Smoke in our eyes
Wet wood and tears
On up the meadow
Laughter somewhere
With you my friend I am there

On the Loose

CHORUS :

On the loose to climb a mountain, On the loose
where I am free,
On the loose to live my life the way I think my life
should be,
For I've only got a moment,
And a whole world yet to see,
I'll be looking for tomorrow on the loose

Have you ever seen a sunrise,
Turn the sky completely red,
Have you slept beneath the moon and stars,
A pine bow o'er head,
Did you sit and talk with friends though no word is
ever said,
Then you're just like me and you've been on the
loose

CHORUS

There's a trail that I'd be hiking, Just to see where it
might go
Many places left to visit.
Many people yet to know

So in following my dreams
I will live and I will grow
On a trail that's waiting out there on the loose

CHORUS

So in search of love and laughter,
I'll be traveling across this land,
Never sure of where I'm going,
For I haven't any plans,
So in time when you are ready,
Come and join me, take my hand,
And together we'll share life out on the loose.

CHORUS

As I sit and watch the sunset,
As the daylight softly fades,
I'll be thinking about tomorrow,
And the friendships we have made,
I will value them for always,
And I'll hope you'll do the same,
and together we'll live life out on the loose

CHORUS

On My Honor
CHORUS:
On my honor I will try,
There's a duty to be done and I say I,
There's a reason here, for a reason above
My honor is to try and my duty is to love

**People don't need to know my name
If I've done any harm, then I'm to blame.
If I've helped someone,
Then I've helped me.
And I've opened up my eyes to see**

CHORUS

**I've tucked away a song or two,
If you're feeling low, there's one for you.
If you need a friend, then I will come.
And there's many more where I come from.**

CHORUS

Come with me where the fire burns bright,
We can even see better by the candles light,
**And we'll find more meaning in a campfire's glow
Then we've ever found in a year or so.**

Chorus

**We've made a promise to always keep
And we'll sing softly now before we sleep
We're girl scouts together and when we're gone
We'll still be a trying and a singing this song**

Paperbag Princess

Chorus:

Paperbag princess, running to fix this kingdom up
right
**Dirty and crunchy, clever and fun she's ready to
fight**

Ready to save anyone needs saving
Brave enough to take the roads unpaven
She's the one to put any knave into, his place

If a problem stops her in her tracks
**She'll invent a new plan of attack
With wit and logic at her back, she'll save, the day**

**A true princess won't need someone to tell her
What looks prettier or sounds better
She knows the only thing that matters is inside**

**When a dragon's blown your clothes away
And you have seen much better days
Pick up a brown bag and say, let's go!**

Are you ready to fight?
Yes I'm ready to fight!

Run You

Take a little time for the child within you
Don't be afraid to be young and free
Undo the locks and throw away the key and
Take of your shoes and socks and
Run you

Run through the meadow and scare up the milking
cow

Run through the beach kicking clouds of sand
Walk a windy weather day
Feel your face blow away
Stop and listen
Love you

Roll like a circus clown
Throw away your circus frown
Ride on a roller coast upside down
Waltzing Matilda
Kerry loves a kinkajou
Joey catch a kangaroo and
Hug you

Dandelions, milkweeds, silky on a summer sky
Reach out and hitch a ride
And roll on by
Balloons down below
Blooming colors of the rainbow
Red, blue and yellow green I
Love you

Bicycles, tricycles, ice cream candy
Lollipops and popsicles and licorice sticks
Solomon Grundy, raggedy Andy
Tweedle Dum and Tweedle Dee and
Home free

Cowboys and Indians and puppy dogs and sand
pails
Beach balls and base balls and basketballs too
I love forget me nots
Fluffer nutters, sugar pops
I'll hug you and kiss you and love you
La la la la la la la la
La la la la la, la la

Shooting Star

Please won't you catch a shooting star for me,
And take it with you on your way,
Though it seems that we've just met,
You're the one I won't forget,
Hope some kind wind blows you back my way.

CHORUS:

And I was thinking maybe somewhere later down
the road,
After all our stories have been told
I'll sit and think of you,
A dear friend I once knew
Shot through my life like a shooting star.

You are so dear, you're my light and shining star

You brighten up each and every day,
You are so near, but soon you'll be so far
So why not hold my hand today?

CHORUS

Sometimes I know that a part of you will show,
Deep in my heart or in my smile,
There'll always be a part of you deep inside my
heart,
And I'll always know when to let it show.

CHORUS

Sparky's Song

Oh the time has passed so quickly and it seems
like yesterday
I travelled far away from home, to where I am
today
And I, thought that I was destined to be lost and all
alone
'Till I came among these people who made me feel
at home

Chorus:

And I, want to tell you just how much I love you
And, tell you all the things that you should know
like

Thank you for just being here and giving all your
time
And giving me the strength I need to grow

Well I felt at once a kinship, with my friends here at
my sides
I felt I was accepted and had no need to hide
And I knew that I could handle what the world
would throw my way
And though sometimes were more than rough, I'd
never change a day

Well our story isn't over though we have to turn
the page
We'll pick up where our paths left off and go our
separate ways
But a lifetime's worth of memories have been
found in these few days
Until the time we meet again I know I'll have to say

We Come from the Mountain
We come from the mountains,
We come from the mountains,
Go back to the mountains and turn the world
around,
We come from the mountains,
Go back to the mountains and turn the world
around.

We come from the sky,
We come from the sky,
Go back to the sky and turn the world around,
We come from the sky,
Go back to the sky and turn the world around.

We come from the water,
We come from the water,
Go back to the water and turn the world around.
We come from the water,
Go back to the water and turn the world around,

We come from the fire,
We come from the fire,

Go back to the fire and turn the world around.
We come from the fire,
Go back to the fire and turn the world around,

We come from the mountains,
We come from the sky,
Go back to the water and turn the world around.
We come from the fire,
Go back to the mountains and turn the world
around

You Are Welcome
You are welcome,
You are welcome
You are welcome in this place,
You are welcome,
You are welcome,
You are welcome in this place

You are kind and you are gentle
And your heart is filled with love,
Share the blessings,
Share the blessings
You're surrounded with love
